**National Innovation and Startup Policy (NISP)
Committee 2020-2021**

The National Innovation and Startup Policy 2020 for students and faculty of Higher Education Institutions (HEIs) as a guiding framework will enable the institutes to actively engage students, faculties and staff in innovation and entrepreneurship related activities. The Institute Innovation Cell in consultation with the Principal has decided to be a part of NISP framework which will facilitate Ministry of Human Resource Development (MHRD) in bringing uniformity across HEIs in terms of Intellectual Property ownership management, technology licensing and institutional Startup policy, thus enabling creation of a robust innovation and Start up ecosystem. As per the discussions held during the meeting conducted on 05th March 2021, which was attended by our NISP Coordinator, following committee is formed to implement, amend and monitor NISP 2021.
