# Memorandum of Understanding

Between

## **Nutan Maharashtra Vidya Prasarak Mandal**

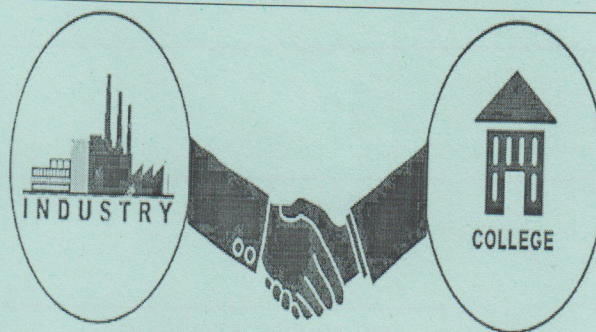

“Vishnupuri”, Talegaon Dabhade (Stn) Tal. Maval, Dist. Pune 410507

And

## **Confederation of Indian Industry (CII)**

Initiative towards

### **Academia Industry Interface**

**Bridging the Gap  
Between Industry and Academia**

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
CONFEDERATION OF INDIAN INDUSTRY  
AND**

**NUTAN MAHARASHTRA INSTITUTE OF ENGINEERING & TECHNOLOGY**

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes. CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process.

Nutan Maharashtra Vidya Prasarak Mandal (NMVPM) was established as public trust for promoting the cause of education in rural Maharashtra and has 109 years of dedication in education. Nutan Maharashtra Institute of Engineering and Technology (NUTAN) was established in 2008 in Talegaon, Pune, as an institution of technical education.

**Champions for Societal Manufacturing (CSM)**, earlier (till 2014) known as **Visionary Leaders for Manufacturing (VLFM)**, is a flagship project, under the Indo-Japan Technical Cooperation Agreement, has the objective of transforming Indian Manufacturing. Confederation of Indian Industry (CII) is the lead Implementation Agency for the CSM / VLFM programme.

CII is committed to develop a sustainable 1000 Visionary Small and Medium Enterprises (1000 VSME) programme and support its scaling-up activities, under the umbrella of the CSM (VLFM) programme. Towards this end, a new initiative has been started in October 2015 to develop the manufacturing capabilities and competitiveness of small enterprises of India, under the name Visionary Laghu Udyog Mitra Mandali India (VLMi). CII is committed to work for the success of VLMi initiative and will partner with individuals, institutions and organizations which have the potential for supporting the Scaling Up of the 1000 VSME programme.

Confederation of Indian Industry (CII) and Nutan Maharashtra Institute of Engineering & Technology (NUTAN) recognize the importance of Industry-Academia partnership to primarily improve the quality of technical education and potentially contribute towards developing industry in the Pune region. CII and NUTAN are willing to partner with one another to work towards the above cause. This MEMORANDUM OF UNDERSTANDING lays down the overall terms of reference of this partnership.

Chairman CII VLFM Initiative, in consultation with Chairperson, Anand Group, has appointed Mr. Chandrakant S Patel (formerly Member, Supervisory Board, Anand Group and currently, Managing Trustee, SNS Foundation) as Mentor for 1000 VSME Programme.

The purpose of the CII – NUTAN partnership is to facilitate NUTAN in building the capability of its teaching faculty, thereby enhancing the quality of technical education provided to its students and thus supporting and sustaining the VLMi initiative in Pune area. The market envisaged as of today is about 100 SMEs who could be targeted and around 300 Tier 3 SMEs of Anand, over next three years.

This will be possible if NUTAN capability can be built with Mr. Furuhashi's inputs and guidance availability till 2018 for a few days in a year. NUTAN's plan to train around 4 or 5 instructors is likely to take around 3 years learning and practice, under the guidance of Mr. Furuhashi and Indian VSME experts. Therefore, NUTAN can continue on their own only after 2018 and may take another few years to address needs of 400 + SMEs in Pune.

**NUTAN's role:**

- a. Host and administer the VLMi programme from its campus.
- b. Be guided by Japanese experts and Mr Patel to create a one semester optional VSME Module for the final year Mechanical Engineering students. (About 120 students per year would be the (potential target). The module may be called "Lean Manufacturing" or 'EIM" (Excellence In Manufacturing)
- c. Depute 2-3 faculty per year to be trained on the VSME programme and work with local SMEs
- d. NUTAN faculty to join the first batch of VLMi in 2016
- e. NUTAN faculty will work with Anand VSME Engineers deputed for VLMi to gain hands on experience.
- f. NUTAN faculty with guidance of Japanese experts and VSME experts to create a VLMi Training programme for SMEs and target more than 100 VSMEs in Pune area over next three years.
- g. Pay fees / per diem allowance towards Indian VSME faculty. The cost of travel, accommodation and any actual costs would be borne by NUTAN.
- h. Whenever NUTAN does feel the need for any assistance from CII, NUTAN would seek the same and also reimburse the expenses incurred by CII for this. This could include
  - Text books and Manuals;
  - T-Shirts and Participant kits;
  - Stationary, etc;
  - Travel, Stay, Local transport and any other incidental expenses of outstation CII staff coming for the programmes and events;The billing would include the item cost, courier expenses, where applicable, plus 10% administration charges on the total bill amount.
- i. Mr Patel, NUTAN, CII and the Japanese experts would agree on the Certification Scheme for faculty.
- j. Any branding for VLMi would project JICA, CII, and NUTAN with equal visibility always. Before release or distribution of any artifact or article with branding, prior concurrence of CII is to be sought.

**CII's role:**

- a. Facilitate the participation by Japanese experts
- b. Provide organizational support and logistic support for the Japanese experts
- c. Provide training books and manuals at a cost.
- d. Provide Standards for 1000 VSME classroom and required stationary lists – at costs when provided.
- e. Provide Brand guidelines, design of T-Shirts and/or T-Shirts based on requirements at a cost.
- f. CII would be responsible for finalizing schedule of Indian faculty and Japanese experts and share the same with Mr Patel and NUTAN in time.
- g. Help to organize the Graduation Event including preparation of certificates as per VLFM Standards at agreed costs for designing and printing certificates.
- h. Jointly with NUTAN organize Lectures/seminars with Japanese and Indian experts to promote VLMi with costs being met.
- i. Claim all pre-agreed expenses incurred for this project within 15 days of incurring the expenses.

***Conditions, under which MOU can be amended, concluded or renewed:***

1. Termination of the MOU should be based on ethical violation of the intellectual property of Mr. Furuhashi / JICA. Mr C S Patel as a Mentor will watch out for this.
2. This MOU can be amended by the written agreement of both parties.
3. This MOU is valid until terminated. Either Party may terminate this MOU by providing the other party with a written notice at least three months in advance.
4. Notice to terminate or amend the MOU shall not retroactively change the terms of any existing project or program being undertaken by the parties for the specific term of the project or program without consent of both parties.

Anything done or performed under or by virtue of this MoU shall be subject to the respective laws, rules and regulations governing the respective institutions in their jurisdiction. Any disputes between the Parties shall be resolved by way of mutual discussions to the extent possible.

5. Any financial implications arising out of this MoU shall be decided by mutual consultations between NUTAN and CII in advance.
6. The parties to the MoU shall ensure that in the matter of exchange of information, publications and general materials between NUTAN and CII there is no breach of intellectual property rights. NUTAN shall exercise every reasonable care and caution to ensure that any information identified by CII as confidential is adequately protected.

7. NUTAN shall keep CII indemnified against any loss/damage arising due to any event, occurrence, conduct, default, whether willful or otherwise, where such conduct, default, negligence etc. is directly or indirectly attributable to conduct of NUTAN, its employees, agents, representatives etc., during the course of this Agreement.

Taxation

*Taxes if any will be charged extra and withholding tax if any will be deducted by respective party on any financial transaction as per applicable laws.*

This MOU will become effective from the date of signing by both the parties for three years.
