

6.1.1 The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Our governance body is reflective and the prime focus is on the vision and mission of the institute.

VISION

To be a recognizable institution for providing quality technical education & ensuring holistic development of students.

MISSION

To nurture engineering graduates with highest technical competence, professionalism and problem solving skills to serve needs of industry & society.

The following strategic characteristics and aspirations enable the College to realize its vision:

- Modern and precise educational experiences that develop the engineers
- An atmosphere that facilitates personal commitment to the educational success of students in an environment that values multiplicity and society
- Education and research partnerships with Universities, colleges and industries
- Highly successful alumni who contribute to the profession in the global society
- Undergraduate and Post graduate programs that integrate global awareness, communication skills and team building across the curriculum
- Practical and responsible resource management;
- Training that prepares students for interdisciplinary engineering research and advanced problem solving
- Leadership and service to meet society needs.

Governing body designs and executes Short-term, Long-term plans integrating departmental plans, findings of SWOT analysis and other recommendations from the stake holders.

Every year this process is conducted in the institution and present long term plan.

The policy and planning are carried out according to consultation with stake holders. Top management with the help of the department wise committees formulates quality policy and integrates the same in the strategic plan. Formulation of action plans and defining the policy

objectives attempts to address the issues of systematic change to provide quality education. Creating robust principles, frameworks, systems and processes the institution intends to reinforce the culture of excellence. All the systems work together as a team aiming to be champions of organizational change. The Departments fosters a healthy competitive atmosphere among themselves and each one strives to accomplish excellence in their standards.
