

NUTAN MAHARASHTRA VIDYA PRASARAK MANDAL'S

# Nutan Maharashtra Institute of Engineering & Technology

Dedicated 108 Years to Education

# ऋणानुबंध 2015

# ऋणानुबंध

## Our Mission :

To foster a mutually beneficial relationship between the institute and its alumni and to perpetuate a sense of pride and commitment to the outstanding qualities of the Institute and the education it provides. Also promote alumni to participate in and contribute to the continued growth & development of institute.

## Aims and Objectives :

- To promote and foster mutually beneficial interaction between the Alumni and the present students of the NMIET and between the Alumni themselves. To encourage the formation of Chapters as a means to increase participation of Alumni.
- To encourage the Alumni to take an active and abiding interest in the work and progress of the institute so as to contribute towards enhancement of the social utility of their Alma Mater.
- To organize and establish scholarship funds to help the needy and deserving students.
- To organize prizes and awards for outstanding project work, research papers or other professional activity by the students of the institute also to suitably recognize outstanding social and community service by the Alumni and the students.
- To undertake the activity of a civic or charitable nature and also to increase public awareness of the role of technology in value addition in the economic and social development of the nation.
- To do all such other lawful things as are conducive or incidental to the attainment of the above objectives and / or beneficial to the interests of the institute and its Alumni.

## Membership :

Any student who successfully obtains any degree / diploma from NMIET automatically becomes a life member of the Association from the date of issue of the Result Notification granting the said degree on payment of the appropriate membership fees.

# Presidents's Message to Outgoing Students

Congratulations on your completion of the Engineering Graduation Course through the institute which has a great heritage. While working hereafter always remember your alma mater and Parents, Society & Nation; Selfless service from budding engineers will strengthen the Nation and make it leading Nation in the world.

My best wishes to you for your further endeavor.

## What is Real Education ?

Education is the manifestation of the perfection which is already in Human. We want that Education by which Character is formed, Strength of Mind is increased, Intellect is expanded and by which one can stand on One's own feet.

Teach yourselves , teach everyone his real nature. Call upon the sleeping soul and see how it awakes. Power will come, glory will come, goodness will come, Purity will come and everything that is Excellent will come, when sleeping soul is raised to self conscious activity.

Each soul is potentially divine, the goal is to manifest the divinity within. Do this by controlling nature external and internal, by mean of work, or worship, or psychic control, or philosophy; by one or more or all of these and become free. this is the whole of religion. Doctrines, dogmas, rituals, books Temples, forms are but, secondary details.

Be not afraid of anything, you will do marvelous work. The moment you fear you are nobody, It is fear that is the great cause of misery in the world. It is fear that is greatest of all superstitions. It is fear that is the cause of all our woes and it's fearlessness that brings heaven even in a moment Therefore, 'Arise, Awake, and Stop not till the Goal is reached.'

- Swami Vivekananda
