About NMIET

118 Years of Legacy

Nutan Maharashtra Vidya Prasarak Mandal is a prestigious educational society in Maharashtra, founded over a century ago by **Lokmanya Bal Gangadhar Tilak** and **Guruvaraya Annasaheb Vijapurkar**. It pioneered national education in the Maval region and played a role in India's freedom struggle, with key figures like **Vishnu G. Vijapurkar** and **Martyr Vishnu Ganesh Pingle** contributing to the movement. For 80 years, the Mandal focused on primary and secondary education in the underdeveloped Maval Region. In 1998, it expanded into technical education by benefiting over 1000 students. In 2008, the Mandal launched the Nutan Maharashtra Institute of Engineering and Technology (NMIET), a degree college approved by AICTE and affiliated with Pune University, committed to delivering quality engineering education.

VISION - To be a notable institution for providing quality technical education and ensuring ethical, moral and holistic development of students.

MISSION - To nurture engineering graduates with state of the art competence, problem solving skills and professionalism to serve needs of industry as well as society.

EDUCATION

Considering the institutions vision and mission, we NMIET bound to become a distinguished institution known for **Quality Technical Education** and fostering ethical, moral and holistic student development.

We at NMIET Offers

From **UG to PG** and **Vocational to Professional**

01

B. Tech

Bachelor of Technology

04 Years UG engineering degree program that provides students with a strong foundation in engineering principles, practical skills and problem - solving abilities.

03

B. Voc

Bachelor of Vocation

03 Years UG degree program in India that focuses on skill based and vocational training. It's designed to equip students with practical skills, knowledge relevant to specific professions

05

BCA

Bachelor of Computer Application

03 Yrs UG program focused on computer applications and software development, preparing students for careers in the IT industry.

02

MBA

Master Of Business Administration

02 Years PG degree that provides a comprehensive education in business management and administration

04

MCA

Master of Computer Application

02 Years PG program offering indepth knowledge of computer science and programming, aimed at preparing students for careers in software development, IT & related fields.

06

B. Sc

Bachelor of Science

04 Years (as per NEP 2020) in **Cyber and Digital Science** program centered on cyber security and digital forensics, designed to equip students with the skills to protect digital assets.

07

LLB

Bachelor of Law

03 Years UG degree is an academic credential earned through the study of law, preparing individuals for careers in various legal fields. It equips students with the knowledge and skills necessary to understand and apply legal principles, often serving as a prerequisite for legal careers like practicing lawyer or judge.

AI - ENABLED INSTITUTION CAMPUS

At Nutan Maharashtra Institute of Engineering & Technology (NMIET), Talegaon Dabhade, We provide a modern and supportive learning environment designed for the holistic development of MBA students.

THE CAMPUS

SMART CLASSROOMS

Equipped with digital boards / projectors / interactive learning tools.

AUDITORIUM & CONFERENCE HALL

Fully AC with advanced sound and projection systems.

ONLINE LEARNING INFRASTRUCTURE

Internet with AV for National International Webinars, Certifications and Global Management Lectures.

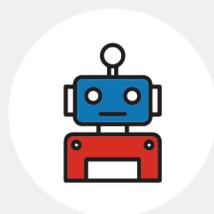

LIBRARY

A vast collection of Management Books / Journals / eResources and case studies.

COMPUTER CENTER

Advanced computing facilities with updated software - data analytics, SPSS, Tally, Python - programming tools like .

eYANTRA LAB IIT Mumbai

Robotics and innovation lab developed in collaboration with IIT Mumbai to promote hands-on learning and problem solving.

DIGITAL CAMPUS

Integration of ERP and LMS to manage academics, assignments, attendance, and exam records efficiently.

IIC INSTITUTION'S INNOVATION COUNCIL

VISION -
To be a leading institution in fostering innovative solutions for societal challenges

MISSION -
To create a vibrant ecosystem for Innovation, Startups and Entrepreneurship within the Institution

- OBJECTIVES**
- Strengthening I&E Ecosystem.
 - Pathways for Quality I&E
 - Sustained Generation of I&E from NMIET

- MAJOR ORGANIZED EVENTS**
- National Level Project Competition - 2025 Organized by E&TC Department 4th April 2025
 - MoU signing with I&T Edutech, 08th April 2025
 - ANVESHNA national level Project competition organized by AGASTYA international foundation, 5th and 6th Feb 2025.
 - Visit to Dipex-2025, National Level Project Competition at COEP Pune
 - Inter College Nutan Innotherive 2K25 Idea, Business plan and Project Competition
 - Explore the Wonders of the Night Sky by Astronomy Club NMIET

IIC INDUSTRY INSTITUTE INTERACTION CELL

VISION -
Providing industry exposure to students to produce globally competent employable engineering graduates.

MISSION -
To provide industry technology education to meet the employability and entrepreneurship skill.

ABOUT IIC

The paragraph highlights the importance of continuous interaction between industry and academia. The Industry-Institution Interaction Cell (IIC) plays a key role in bridging this gap by helping students and faculty understand industry expectations. It also provides a platform to showcase best practices and the latest industry technologies and their applications.

OTHER FEATURES OF VALUE ADDITION

Industry - Relevant Curriculum

Curriculum designed as per AICTE norms and industry expectations
Includes emerging domains like AI in Business, FinTech, ESG, and Digital Economy.

EXPERT FACULTY

Blend of academic excellence and corporate experience. Visiting faculty from renowned institutions and industries.

ASSURED INTERNSHIP & PLACEMENT ASSISTANCE

Active placement cell with national & regional recruiter ties. Internship in real business environments with evaluation

ENTREPRENEURIAL ECOSYSTEM

Startup Incubation Support, tie-up with Startup India & MSMEs. B-Plan contests and seed fund mentoring

AFFORDABLE FEES + SCHOLARSHIP SUPPORT

Transparent & affordable fee structure. Scholarships based on merit, income & special categories

CERTIFICATIONS & SKILL PROGRAMS

Free access to certifications (Google, Coursera, NSE, etc.). Training in Power BI, Excel, SAP, Tableau, Python for Business

SOFT SKILLS & CAREER DEVELOPMENT

Personality development modules, GD-PI sessions, resume building. Business etiquette and corporate grooming workshops

DUAL SPECIALIZATION WITH FLEXIBILITY

Choose any two majors: HR, Marketing, Finance, Operations, IT, etc.

INDUSTRY EXPOSURE

Live projects, corporate visits, and hands-on simulations. Regular guest lectures from top industry leaders

VALUE-ADDED LEARNING

Workshop on Six Sigma, Design Thinking, Financial Modeling, etc.

CO-CURRICULAR ENGAGEMENT

Active clubs: Finance, Marketing, HR, Entrepreneurship. National level business events, cultural fests, hackathons

EXCELLENT INFRASTRUCTURE

Wi-Fi enabled smart classrooms, computer labs, seminar halls. Digital library, LMS access, e-journals

TRANSPORTATION FACILITY

Safe and reliable bus service from Pune and nearby towns for hassle-free student commute.
