

SAAD – Student Association of Artificial Intelligence & Data Science

PCET's NMIET, Pune

About SAAD

SAAD is the official student body of the **first-ever batch of AI & Data Science** at **PCET's NMIET**. Inaugurated on **July 21st, 2025**, we are pioneers laying the foundation for future batches in this cutting-edge field.

As a **community of learners, innovators, and leaders**, SAAD explores the transformative potential of Artificial Intelligence and Data Science, blending technical knowledge with creativity and leadership for holistic growth.

Vision & Mission

Vision:

To establish SAAD as a dynamic platform empowering AI & DS students while shaping innovative, socially responsible, and future-ready leaders.

Mission:

- Inspire curiosity, innovation, and research in AI & Data Science
- Encourage student participation in technical and academic initiatives
- Promote collaboration, creativity, and continuous learning
- Build a strong foundation for future batches

What We Do -

Academic Excellence

- Workshops and seminars on latest AI/ML technologies
- Study groups and peer learning sessions
- Research project support and mentorship
- Industry certifications guidance

Industry Connect

- Guest lectures from industry experts
- Internship and placement support
- Hackathons and coding competitions
- Real-world project collaborations

Beyond Academics

- Cultural events and celebrations
 - Sports and recreational activities
 - Leadership development opportunities
 - Community service through AI/DS solutions
-
